YOUR DENTAL OASIS

At Blue Water Dental of St. Johns we are your dental oasis. What is a dental Oasis? One of the definitions of Oasis is: something serving as a refuge, relief, or pleasant change from what is usual, annoying or difficult. A dental oasis means every aspect of your experience at Blue Water Dental of St. Johns will be different than your previous experiences. From the very first phone call, to the waiting room, to the interactions with Dr. Sorensen and his team, to the final beautiful results, you will notice a pleasant change that will leave you feeling grateful you chose us.

TERMS & CONDITIONS

- Membership Fee is non-refundable.
- Plans will only remain active if all treatment is paid in full at the time of service.
- Plans cannot be used in conjunction with our in-network insurance providers.
- Plans are not transferable to another party or family member.
- If a Patient is diagnosed with Periodontal disease, they are not eligible for the Adult Membership Plan.
- Plan Savings apply to dental services only. The following services do not qualify for plan discounts: Implants, Invisalign, Office Products, and Whitening.
- Membership Plans are only accepted at Blue Water Dental of St Johns. If a patient is referred to another office or specialist, benefits will not carry over.
